Certificate

Patent No. 6,874,729 B1

Patented: April 5, 2005

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: William R. McDonnell, St. Louis, MO (US); and Charles H. Baker, Union, MO (US).

Signed and Sealed this Sixteenth Day of February 2010.
